EPDM BLACK TEMPORARY ROOFS

Modcon Supply, LLC "Modular Roofs for Multi Story structurers"

Made from .045 or .060 Black EPDM Membrane Manufacture Blems,

This is also used for pond lining,commercial buildings.

Also landscaping it is used for multi purposes per customer needs.

FOB upon request

Modcon Supply, LLC. was established several years ago from conversations with Modular Manufacturers and Modular Dealers about quality products and request for affordable pricing regarding Tapes and Accessories.

Modcon Supply is here to assure you, that the line of products offered are of the highest quality.

Our accessory suppliers are some of the same manufacturers that have been supplying the Modular

Office Industry and Dealer network. The difference Modcon Supply's buying power, low overhead

and the ability to offer affordable accessory pricing. www.modconsupply.com
